Description of Vehicle #2 (Complete only if registering a second vehicle)

Year/Make/Model _____ Color _____

Owner _____ License Plate Number _____

Parking permits must be purchased and displayed by Tuesday, September 6, 2016.

STUDENT PARKING/DRIVING REGULATIONS

During school hours and between 7:00 AM and 4:00 PM on school days, students who drive motorized vehicles to school shall only be permitted to park those vehicles in the lots inside the football field fence. Students who wish to park on campus will be required to purchase a parking permit annually for \$10.00. If you lose your pass, you will be required to purchase another one. The number of parking permits issued may be limited, depending on the availability of appropriate parking spaces. If this occurs, preference will be given to seniors first, then juniors, then sophomores and freshmen. Students must have a valid driver's license to purchase a permit. Permits will be available for purchase on a first come first serve basis and sold only to those holding a valid driver's license. The permit shall be displayed from the rear view mirror of the vehicle. Parking fees and fines listed below will be utilized for maintenance of the student parking lot. Violations of any parking or driving regulations on school property could result in a fine, disciplinary action by the Principal, loss of parking or driving privileges on school property or such other action as may be permitted by law.

- 1. Parking in unauthorized areas..... \$ 5.00
- 2. Improper parking \$ 5.00
- 3. Failure to purchase a permit \$10.00
- 4. Failure to properly display the permit.... \$10.00

The school is not responsible for lost, stolen, or damaged vehicles while they are on school property. Student vehicles may be searched and students questioned when there are reasonable grounds for school authorities to suspect that the search will turn up evidence that the student has violated or is violating either the law or the rules of the school. Any searches of a vehicle will be made with the student present, if possible. If evidence is uncovered indicating that a student may have violated the law, law enforcement officials may be notified.

**I understand and am aware of the regulations within this contract.
I also understand the consequences should I violate any of the provisions of this contract.**
