Junior High NEWS

~ 2024-2025, Issue 3 ~

Reminders and Tips

What to remember when your child has been absent:

- 1.) Check Progress Book for missed assignments.
- 2.) It is up to the students to reach out to their teachers upon their return for missed work.
- 3.) Students are allowed one day to make up work for each day missed from school.

Upcoming Events:

State Testing: ELA 7/8- April 15-16, Science 8- April 28-29, Math 7/8- April 30-May 1

Ohio State Test practice site- <https://oh-ost.portal.cambiumast.com/families.html>

SCIENCE

7th Grade Science:

Students are exploring energy and will bring home items like light bulbs, shower heads, and faucet aerators to share with their families.

8th Grade Science:

Students will explore how erosion and deposition shape landforms, then dive into reproduction and genetics to learn how traits are inherited.

Check Google Classroom for the [schedule](#), review games, notes, and more—great for absences!

HISTORY

****Study Guides and Review games are extremely helpful for test preparation****

History 7:

Only 3 units left in the year! We are currently in our Ancient Asia unit. We will close out the year with the Middle Ages & Age of Exploration.

History 8:

We are learning about the challenges faced by the United States government and people following the Revolutionary War.

****Check your child's Google Classroom for weekly updates.****

LANGUAGE ARTS

ELA 7: Study for Grammar Quiz each week

Should be halfway through independent novels- **book talks start March 18th**
Almost finished with Brown Girl Dreaming
Analyzing short stories is coming up next

ELA 8

- **Writing:** We are close to finishing a unit on the writing process. Students will complete a Response to Literature (RTL) essay soon.
- **Vocab.:** Biweekly quiz, 10 words, **quiz 2/28**
- **Reading Class Novel:** *Hidden Figures*
- **Independent Reading:** All Reading classes
Book Talks = March 17, book must be finished!

MATH

****Weekly Agendas & Freckle skills can be found on Google Classroom***

MATH 7:

- Currently working through **Expressions, Equations, & Inequalities Unit** (Unit Test will be the first week of March)
- Up next...**Geometry** (Angles, Circles, Triangles, Area, & Volume)

PREALG 8:

- Finishing up **System of Equations** (Unit Test will be first week of March)
- Up next....**Pythagorean Theorem Independent Unit** (Students will work at their own pace during work days once a week & will have to do some work on their own outside of class.)
