

# ARLINGTON JUNIOR HIGH & HIGH SCHOOL

## FEBRUARY 2ND UPDATE

### VERROCO'S VOICE

Hello Parents and Guardians,

This definitely has been a crazy winter! I hope all of you are staying warm and adjusting to the frigid weather that we are experiencing. I would continue to stress to your son/daughter the importance of wearing hats, gloves, and coats during these below normal temperatures (students can be stubborn at times about this topic). For students who drive, please have a conversation with them about driving slower in these conditions, slowing down earlier before they arrive at stop sign/red lights, and having extra items in their car like blankets, window scrapers, window fluid to help with cleaning.

Did you know February is the only month with fewer than 30 days? Romans believed even numbers were unlucky, so they tried to make each month odd, however, to reach the required 355 days for the lunar year, one month had to be even, February was drawn as the "unlucky" month with just 28 days.

I hope all of our students in grades 6-11 brought their scheduling sheets home to sign (colored forms). This is a very important process that often creates a lot of conversation and questions parents /students may have.

Please call the main office and ask for Mrs. Thompson or Mr. Verroco to help answer some of your questions.

Stay warm and safe!

Red Pride!
