

EVALUATION OF PROFESSIONAL STAFF  
(Administrators Both Professional and Support)

The Superintendent institutes and maintains a comprehensive program for the evaluation of administrative personnel. Administrative personnel are all persons issued contracts in accordance with the Ohio Revised Code, including the following: assistant superintendents, principals, assistant principals and all other personnel required to maintain certificates in order to be employed as pupil-personnel workers and educational administrative specialists (provided that such person spends less than 50% of his/her time teaching or working with students) and any other employee whose duties enable him/her to be considered either a "supervisor" or "management-level employee" excluded from all of the employee bargaining units.

The purpose of administrator evaluations is to assess the performance of administrators, to provide information upon which to base employment and personnel decisions and to comply with the requirements of Ohio law. Annually, all administrators are evaluated. In the year the contract does not expire the evaluations are completed by July 31. A copy of the evaluation is given to the administrator. In the year an administrator's contract is to expire, two evaluations are to be given, one preliminary and one final evaluation. The preliminary evaluation is conducted at least 60 days prior to March 31 and prior to any Board action on the employee's contract. Evaluations are considered by the Board in determining whether to re-employ administrators. In addition, evaluations should assist administrators in developing their professional abilities in order to increase the effectiveness of District management.

The final evaluation, includes the Superintendent's intended recommendation for the contract of the employee, and a written copy of the final evaluation must be provided to the employee at least five days prior to the Board's action to renew or nonrenew the employee's contract.
