

BOARD-TREASURER RELATIONSHIP

The development of financial policies, consistent with long-term goals, is one of the most important functions of a board. The implementation of financial policies is the function of the Treasurer and his/her staff.

Delegation by the Board of its financial powers to the Treasurer provides freedom for the Treasurer to manage the District's finances and frees the Board to devote its time to policy-making and appraisal functions.

The Board holds the Treasurer responsible for the administration of its financial policies, the execution of Board decisions and keeping the Board informed about District financial issues and concerns.

The Board strives to procure the best financial leadership available. The Board, as a whole and as individual members:

1. gives the Treasurer full authority for properly discharging his/her professional duties, holding him/her responsible for acceptable results;
2. refers all complaints of the Treasurer's staff to the Treasurer for appropriate investigation and action and
3. strives to provide adequate safeguards for the Treasurer and other staff members so that they can discharge their duties on a thoroughly professional basis.
