

PROFESSIONAL STAFF HIRING

When circumstances dictate, and in order to maintain continuity of the District's educational program, the employment of previously retired administrative personnel to fill administrative vacancies may be recommended to the Board so long as all of the following conditions are met.

1. An individual's administrative contract is a one-year agreement only. Such contract contains a resignation clause effective at the end of the one-year period.
2. All individual employment contracts expire at the end of the contract period without action by the Board or notice of expiration to the individual administrative employee.
3. A previously retired administrator must execute a written waiver of any evaluation procedures and potential automatic re-employment pursuant to applicable provision of law.
4. A previously retired administrator must waive eligibility for continuing contract status as a teacher in the District, no matter his/her length of post-retirement service or the number of administrative contracts issued.
5. No previously retired administrator has any expectation of or right to future employment.
6. No previously retired administrator is eligible to participate in any retirement incentive program offered by the Board including, but not limited to, severance allowance.
7. Previously retired administrators may purchase health and other insurance benefits offered by the Board to its regular employees at the Board's cost, as may be adjusted from time-to-time.
8. A previously retired administrator must hold a valid license issued by the Ohio Department of Education pursuant to state law, and may be employed in the District under a temporary administrative license.
9. In the event a reduction in force is necessary, previously retired administrators are released before any limited contract administrators and are not eligible for recall. Previously retired administrators affected by a reduction in force may be subsequently rehired at the Board's discretion.

10. Previously retired administrators are entitled to all benefits available to administrative employees, unless otherwise limited by contract or the specific provisions of this regulation.
11. Previously retired administrators return to employment with no sick leave balance, but may accumulate sick leave once re-employed.
