

## HOME-BOUND INSTRUCTION

The board will provide instruction, as appropriate, for students confined to home in accordance with the following:

1. Home instruction teachers will be provided for students at the request of parents only after such instruction is approved by the superintendent. Home instruction teachers who are provided by the school, and for whom no reimbursement is received from the State Department of Education will be paid at the appropriate current schedule; however, payment will not exceed five hours per week for any one student. Home instruction teachers will be provided at the rate of one hour per week for each major subject, if qualified teachers can be secured.
2. Home instruction teachers may be the student's regular classroom teachers only if the superintendent has given special permission.
3. Home instruction teachers must be certified teachers, holding a valid State Department of Education certificate.
4. All work must meet the standards of the State Department of Education and be done under the supervision of the superintendent.
5. The duration and time of any home instruction program will be determined by the superintendent, on the basis of information received from teachers parents, medical personnel, and the principal's.
