

STUDENT PROGRESS REPORTS TO PARENTS

The following procedures will be used in reporting to parents:

1. Number of Report Periods: The school year is divided into four grading periods. Reports for grades 1-12 will be available to the parents on the Thursday following the close of the specific grading period, (the year-end report may vary from this procedure). Kindergarten reports are issued three times a year, in November, January, and at the end of the school year.
2. Parent-Teacher Conferences: Four evenings will be scheduled into the yearly calendar for formal parent-teacher conferences. Conferences will be scheduled with each child's parents in grades K-6. Conferences will be scheduled as needed with parents of students grades 7-12.

Parents are able to access student grades and progress at any time (24 hrs) using the ProgressBook link on the school website and logging in.
