

ADMISSION OF EXCHANGE STUDENTS

The Board believes that one of the most effective vehicles for improving international understanding is communications among the individuals of various nations. Accordingly, the Board endorses the involvement of high school students and their families in recognized foreign exchange student programs. The Superintendent and administrative staff are responsible for developing regulations to direct the involvement of the high school with such programs.

Exchange students are not responsible for tuition if sponsored under an approved exchange program while temporarily residing in the District with a host family. Exchange students must meet the regulations and expectations of local students, including immunization requirements.

Exchange students are encouraged to participate in all student activities, provided they meet the academic requirements.

The Board reserves the right to limit the number of exchange students in any given year.

Foreign exchange students not enrolled in a recognized visitor exchange program may be eligible to participate in interscholastic athletics in accordance with Ohio High School Athletic Association Bylaws.
