School dress should enhance a positive image of the students and the District and not threaten the health, welfare and safety of the members of the student body. Any form of dress or grooming which attracts undue attention, prompting a disruption of the learning environment or violating the previous statement, is unacceptable.

Requirements include the following:

1. Dress and grooming standards require cleanliness in the interest of health, sanitary conditions and safety requirements.
2. When a student is participating in school activities, his/her dress and grooming must not disrupt his/her performance or that of other students or constitute a health threat to himself/herself or other students.
3. Dress and grooming are not such as to disrupt the teaching/learning process.
4. Dress and grooming standards will reflect the standards of the community. Input from staff, students, parents and community members will be considered when establishing these standards.

Specific details of student dress and grooming standards will be placed in each school's student handbook each year. The Board of Education will approve these dress code regulations prior to the beginning of the school year.
