

COMMUNITY USE OF SCHOOL FACILITIES
(EQUAL ACCESS)

Although the basic purpose of public school facilities is to provide the youth of the community a sound education program, the complete function of education is not achieved until the school facilities are made to serve the total community. To accomplish this objective, the board of education shall upon payment of the prescribed fee and subject to the requirements of the regulation, permit the use of school facilities for auxiliary, educational, recreational, cultural, civic, social, religious, or other purposes.
