

VISITORS TO THE SCHOOL

The Board encourages parents and other citizens of the District to visit classrooms to observe the work of the school and to learn what the school is doing.

To assure that no unauthorized persons enter the building, all visitors to the school must report to the school office when entering, to receive authorization before visiting elsewhere in the building. (This policy does not apply when parents have been invited to a classroom or assembly program.)

Unauthorized persons are not permitted in the school building or on school grounds. School principals are authorized to take appropriate action to prevent such persons from entering the building or loitering on the grounds.
