

RELATIONS WITH BOOSTER ORGANIZATIONS

The Board recognizes that the endeavors and objectives of booster organizations can be a valuable means of stimulating interest and endorsement of the aims and achievements of the District. Care must be taken to avoid compromising or diluting the responsibility and authority of the Board.

The Board retains final authority over all plans, projects and activities involving District students.

Booster organizations must abide by all District policies and rules as well as the following:

1. Booster organizations should not use the school's tax ID number.
2. Booster organizations should not accept checks made out to the school and vice versa.
3. District officials should not have a leadership role in booster organizations.
4. Fund-raising activities should not occur on school premises or during school hours unless permission has been given by the Superintendent/designee.
5. Documentation on ownership of property and fund-raising activities is required.
6. The use of the District name and emblems must be authorized.
7. Booster organizations must submit their bylaws as well as annual reports on income, expenses and balance sheets to the Superintendent for review.

Booster organizations must have permission from the Board prior to any construction of facilities. The organization must provide the Board, in writing, that funds are available to complete the project.
