Campus Construction, 1992 Renovations and back parking lot- November 5, 2025

WINTER ATHLETICS and VARSITY LOCKERROOM - CONSTRUCTION AREAS:

Beginning as early as Monday, November 10, the back parking lot from the first grade/kindergarten outside door to the edge of the playground will be fenced off in anticipation of the 1992 renovation project starting. In addition, the inside back hallway from that same first grade/kindergarten door around to the restrooms in the 1992 hallway will be closed off. Demolition of that hallway will begin, and the construction of the new varsity football locker room will begin.

During this construction phase, there will be no access to the building through the varsity locker room doors or the back 1992 hallway entrance. Information about athletic practices and games and which entrances to use, etc. will be coming soon from Athletic Director Aaron Cheney.

Bus drop-off and pick-up will continue at the cafeteria doors. Vehicle traffic will still not be allowed to travel along the north side of the building between 7:40 am – 8:10 am, and 2:45 pm – 3:15 pm. If you need to enter the campus for MS/HS pickup, please use the north entry off Main Street.

Elementary pick-up and drop-off will remain in the south lot in front of the gym.
