

December 5^A

THANK YOU PTO SANTA SHOP

Parents:

For the safety and enjoyment of all guests attending basketball games, please talk to your children about the expectations as a spectator.

While attending home basketball games, students should remain in the stands to watch the ballgame. Visiting the concession stand or using the restroom is acceptable; however, students must walk in the hallways and return to the stands after. Hanging in the halls, running in the halls, and wandering through the school building is not acceptable. Thanks for your help!
