February 19: **New** Practical Parenting: Conversations
6:00-7:30pm Elementary Library- see attached flier

March 19: Kindergarten Screening, NO School for current
Kindergarten students

POTENTIAL REMOTE LEARNING:

With the possibility of future school cancellations, please watch for remote learning information. If a closure occurs, notifications about a "Remote Learning Day" will be shared through the Arlington App, WFIN, and our school website.

To help students stay on track during extended weather-related closures, we may use remote learning when needed. This will only be implemented if determined appropriate by our school administrative team.

Important: If school is canceled and "Remote Learning Day" is not included in the announcement, students will not be required to complete any work that day.

DATES**

A collection of colorful pencils in various colors (blue, red, orange, green, pink, purple, brown) scattered around the title. Some are sharpened, some are not.

KINDERGARTEN SCREENING

Thursday, March 19, 2026 has been set to conduct screening for children eligible to start kindergarten in the fall of 2026.

If you have a child who will be 5 years old on or before September 8, 2026, and live in the Arlington School District, your child is eligible to attend kindergarten.

Please call Mrs. Northrup at the school (419-365-5123 ext.244) anytime between now and Friday, March 13, 2026. March 19th is the only day the clinic will be conducted.

The screening is not for acceptance to kindergarten, it is simply to offer parents feedback on a child's readiness. Please make sure, even if your child is unable to make the screening date, all documents are still turned in to the office BEFORE March 19th.

An appointment time for the clinic and further information will be communicated to parents prior to the screening.
