

ARLINGTON RED DEVILS

Marcum Material February 2

Reminders

Kindergarten screening information attached -more info can also be found on the school website.

Thursday, March 7, 2024 has been set to conduct screening for children eligible to start kindergarten in the fall of 2024. If you have a child who will be 5 years old on or before August 1, 2024, and live in the Arlington School District, your child is eligible to attend kindergarten.

Please call Mrs. Northrup at the school (419-365-5123 ext.244) anytime between now and Friday, February 23, 2024. March 7th is the only day the clinic will be conducted.

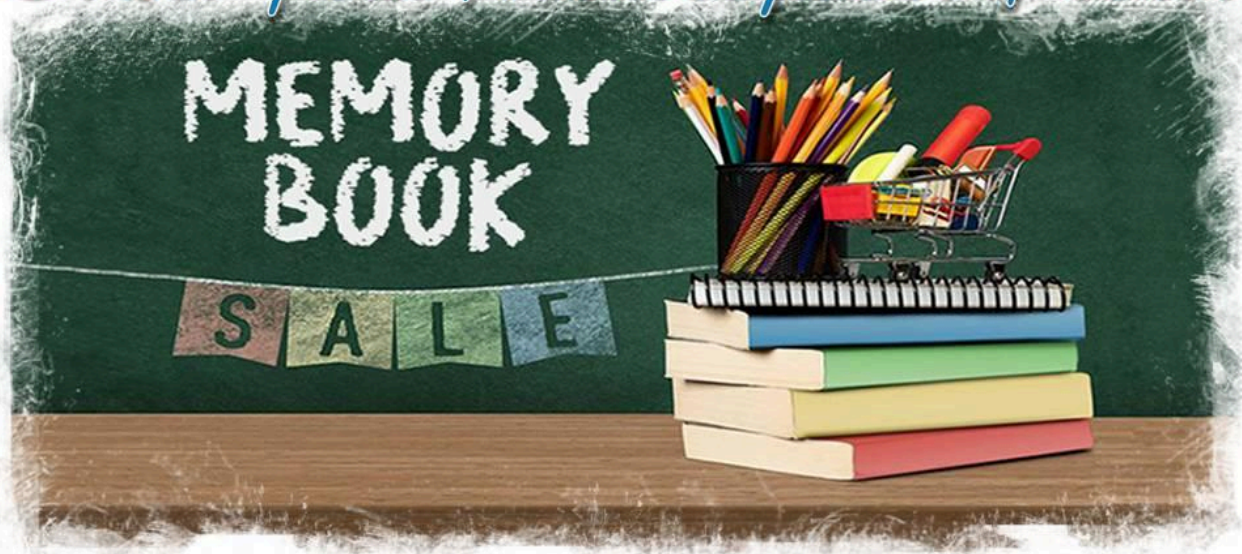

The screening is not for acceptance to kindergarten, it is simply to offer parents feedback on a child's readiness. Please make sure, even if your child is unable to make the screening date, all documents are still turned in to the office BEFORE March 7th.

An appointment time for the clinic and further information will be communicated to parents prior to the screening.

ARLINGTON RED DEVILS

Habit Two: Begin with the End in Mind: We are continuing to focus on Habit Two: Begin with the End in Mind. Mrs. Shoup's third grade class has taken the initiative to teach our kindergarten students the skill of sportsmanship. When playing a game, the end in mind is to be a good sport whether you win or lose. The third graders taught the kindergarteners how to play the card game "Trash." After the game is over, the skill kindergarteners learned was to look their competitors in the eyes, shake hands, and tell them "Good game!" Are you looking for an easy bonding activity to play with your family? Let your kindergarten, first, or third grade student teach your family how to play "Trash"; just make sure you shake hands and say "Good game!" after it's over!

Our 1st-6th grade students will have their next **synergy session** on Friday, February 9th.
