FIGHT FOR THE FLAG

How long will the BLUE flag fly???

You read that right...the Michigan flag will rise over Arlington School on **Monday, November 30th**. How long it flies is up to you OSU Fans!

Will it stay Wolverine Fans?? 😞

If the donations for OSU exceeds the donations for Michigan by \$250, the blue flag will be retired and the OSU flag will wave on December 7th! O-H!

A fundraiser where the PTO earns 100% of the profit, you don't have to sell any product and your child won't bring home an annoying, squeaky chicken!?

It's a win-win!

Donations will be collected from November 30-December 4 for the Fight for the Flag Direct Donation Drive and the team that wins will have their flag flown over the school the week of the big game!

How do you support your team? Send in a donation of cash or check to *Arlington PTO* to school during the campaign and indicate which team your donation will go towards. Check Arlington PTO Facebook for updated totals.

Why direct donation? We listened to those that indicated they would prefer to donate directly over selling items year after year.

Questions? Contact arlingtonPTO@yahoo.com Good luck to the teams!
