### Stay Home When Sick

Quarantine and isolation protocols will be enforced for anyone displaying symptoms of COVID-19, having tested positive, or having been in close contact with someone who has tested positive. These protocols will follow recommendations as established by Hancock Public Health.

### Social Distancing

With the Daily Attendance Model, individuals will be spaced 6 feet apart when possible. Social Distancing and safety signage will be visible throughout the school.

### Food Service

Cafeteria lines will be distanced and lunchroom space may expand to other areas in order to maintain social distancing. Cleaning and sanitizing will be done after every lunch period.

### Visitors

Only essential visitors will be permitted inside the school. All approved visitors will go through a health screening assessment, and temperature check before entering the building. Visitors are required to wear face masks.

### Hand Washing

Hand sanitizer dispensers will be installed in common areas throughout the building. Students and staff will be trained in proper hand-washing and encouraged to wash their hands throughout the day.
