Cookie Options

Gourmet 1/4 lb stuffed, perfectly shareable cookies baked from scratch
with premium ingredients

- **Box of 4 assorted flavors including the following**
- Salted Caramel Pretzel: full of toffee pieces, chocolate chips and pretzel chunks with an ooey gooey caramel center
- Cookies and Cream: full of oreo pieces, & white chocolate chips stuffed with a full oreo in the center
- Brownie Party: a fun & colorful treat filled with chocolate chips with a chunk of brownie in the middle
- Classic chocolate chip: stuffed full of milk chocolate & semi-sweet chips, with a fudgy chocolate center

- **Box of 4 gluten friendly chocolate chip cookies**
- This option is gluten friendly, as we do our best to prevent cross contamination with wheat, but we do not have a strictly gluten free kitchen. It is made with gluten free flour, full of chocolate chips, and baked until crispy on the edges and chewy in the middle. No stuffing in this variety as that contains whey.

Coffee Options

Rubato Coffee Lab is a premium coffee roasting company based in Columbus Grove, Ohio. Launched in April of 2019, the company is fueled by a passion for naturally roasted coffee without the need for added flavors. We focus on roasts that preserve the natural sweetness and flavors held within the coffee bean. In our coffee, you can expect to find minimal bitterness, accompanied by high levels of complex flavor. We pride ourselves on our attention to detail and roast only in small batches to ensure our high-quality standards are met.

All coffee selections are 10 oz bags or 12 pod boxes. The bags of coffee can be ground or whole bean.
