New Building Update – September 21, 2023

September's update includes select slides from the Community Presentation that was done on September 19, 2023 at 1:00 pm and 5:00 pm.

The slides include:

- Overall Timeline of our new building project showing 12-14 months of design and 20-24 months of construction.
- Schedule of preliminary design and construction
- Summary of Student Focus Group Preferences
- Arlington Design Team Guiding Principles
- Tentative Site Plan for the new building with vehicle access
- Tentative schematic design plan for the new building
- Upcoming schedule as we move toward the first turning of dirt in the Spring of 2024

We appreciate the attendance at both of our community meetings.
