

Arlington Local School District

New Building Update - April 27, 2023

On April 26, we met with the three architect firms who were selected to the “short list” by the district and the Ohio Facilities Construction Commission (OFCC). This was the next step in the process of selecting an architect for our project. The district and representatives of the OFCC met with the GPD Group (Columbus, OH), Lesko Associates, Inc. (Cleveland, OH), and Fanning/Howey, Inc. (Celina, OH) for preliminary meetings. This was a chance for the architects to get a sense of our community, learn where the new building will be located, and ask questions about the district.

Each architect group will return to the district to make their presentation and go through the interview process with the district and the OFCC on May 12.

After the May 12th meeting, the OFCC will announce the selected architect. We should know who our architect will be the week of May 15.
