Update from Guidance

- I wanted to again say thank you to all parents/guardians who signed up their child for group counseling. We are nearing the end of friendship and anxiety group counseling, and it has been a wonderful experience watching them learn from each other. The next round of group counseling will be focused on anger management, self-esteem, and changing families. Those groups will begin after Christmas break, so if you signed your child up for one of those groups, paperwork will be coming home in the next few weeks letting you know specifically which week group will run. As always, if you have any questions, feel free to contact me by phone through the school or via email!
