
Arlington Elementary

Ohio State Testing Dates

To: 4th, 5th, 6th Grade Parents

From: Elementary Teachers

CC: Mr. Marcum

State Testing will take place on the following dates.

4 th - 6 th Grade English Language Arts	April 21 and April 22
5 th Grade Science (5 th Grade ONLY)	April 28 and April 29
4 th -6 th Grade Math	May 5 and May 6

Each test has 2 sections. Students will complete one section per day on the testing dates. A test session runs from 75-105 minutes. Students will complete the tests on the computer. Some students may need to be encouraged to do their best work, while at the same time more students may likely need reassurance from the school and their parents that the test results really do not have any impact on their grade or placement.

Parents, if you have questions or interest in learning more about state testing, please visit <https://oh.portal.cambiumast.com/ost.stml>. Select 'Students and Families'. From here, you can view past test questions or enter into a practice site for students.
