Semester Exams

Semester exams will NOT take place this year. We will follow our regular bell schedules through the entire first semester, which ends on Friday, January 15, 2021. There will be NO special Exam Schedule! Individual teachers will determine their own method and timeframe for assessing student learning during the first semester -- projects, tests, etc., just like they do throughout the school year. Regardless of the format each teacher chooses, we will NOT be administering "exams," and these assessments should NOT create additional stress for our students OR our staff (at least not any more than what might be created for a regular classroom assessment/project)!

School Nurse

Did you know we have a school nurse this year?! Please welcome Mrs. Erica Feller RN to Arlington School! Students who are not feeling well while at school or who have minor injuries needing medical attention can find her in the office across from the high school library on the first floor. Mrs. Feller is excited to be back in the halls of Arlington School and looks forward to keeping students safe and healthy! Parents, if you have any questions for Erica, please contact her at school at Extension 133.

Parent-Teacher Conferences

This year there will be no special night for parent-teacher conferences. Instead, parents are encouraged to contact any teacher (or group of teachers) to request and schedule a conference at any point in the school year, not just at specific dates. If you would like to meet with an individual teacher, please contact that teacher through email or by calling the school. If you would like to meet with a group of teachers, please contact Mrs. MaryBeth Hutcheson, School Counselor, at HutchesonM@arlingtonlocal.org or by calling her at school at Extension 250.
