

Sorg's Scoop Updates

1/7/2021

- The first semester ends on Friday, January 15, 2021. Students and parents are once again encouraged to review student grades in ProgressBook, and to complete/submit any missing assignments by Wednesday, January 13. Keep in mind that due to our change to a semester grade instead of quarter grades for the first semester, there will only be one grade to determine student grades for the entire first semester. We will return to quarter grades for the second semester.
- We will NOT have semester exams this year! Students are expected to complete classroom tests and projects throughout the school year as usual, but NO exams or special exam schedule for this year. We will continue to follow our current hybrid attendance model with our regular bell schedule.
- Due to the Martin Luther King, Jr. holiday, there is no school on Monday, January 18, 2021. The second semester begins on Tuesday, January 19.
- A change has been made to our Wednesday WIN schedule, effective immediately. Students will be meeting each Wednesday, either through a Google Meet or in-person, with their Leadership Teams. These meetings will take place every Wednesday from 11:00AM - 11:32AM, and students are expected to "attend" during this timeframe. Students without transportation are not expected to attend in-person but are expected to attend via Google Meet. No other instruction will take place on Wednesdays, but students will still be able to receive assistance from their teachers as needed.
