October 10th Newsletter- 2nd edition

Hello Parents,

Happy Fall!!! Our students have adjusted to the new school year very well by using google classroom to view their assignments, displaying incredible school spirit, and adjusting to their classes. I have been really impressed with their behavior and kindness they display towards each other.

We have worked really hard as a staff helping our students understand the importance of organization, study skills, and using their agenda book. I would like you to always view their agenda books and google classrooms to check their assignments. Please contact Mr. Dillion to get your username and password to view ProgressBook.
