

ARLINGTON RED DEVILS

- Please see the attached flier that was sent home earlier this week.
- Unfortunately, due to circumstances out of their control, the old Arlington PTO Facebook page was hacked. The PTO has created a new home to find information and important dates for all things PTO! Please LIKE “Arlington Elementary PTO” on Facebook, as that is the new official page that will be utilized.
- Reminder: If your child would like to play outside in the grass when it is snowy/wet, they will need to bring an extra pair of snow boots to change into. Otherwise, they will have to stay on the blacktop.

Staff Spotlight:

We continue to be proud of the efforts of staff members at Arlington Elementary; the dedication and care they show our students every day is unparalleled. To recognize the efforts of our staff, we continue to showcase a staff member every quarter of the school year. The first nine week’s staff spotlight feature was Mrs. Lisa Haught! With over twenty-five years of teaching experience, Mrs. Haught is one of our highly respected first grade teachers. Her students find her kind, intelligent, and funny.

The staff spotlight for the second quarter is Mr. Horton! Mr. Horton has faithfully served as Arlington’s physical education teacher for over thirty years, and he continues to do so with enthusiasm and patience that brings so much joy to our students. As a thank you for their efforts, both staff members received a gift card from our Elementary PTO; Mr. Horton will be featured inside the elementary door entrance for the duration of the third nine weeks.
